#### “Brain Sells: Improve Your Memory to Maximize Success”

**Presenter: Jan Dacri, Owner, MindBody Improvement Resources**

What have you forgotten today?

If you're a busy business professional – and who isn't these days – you can find yourself juggling everything from client meetings to board presentations and personal appointments. Chances are you've probably caught yourself thinking, “I just know I'm forgetting something...!”

MindBody Improvement Resources President, Jan Dacri will help you find ways to effectively boost your brain power in the midst of multi-tasking, stress-filled “to do” days. Her BES program presentation, “Brain Sells,” will help you “upgrade” your mental computer in a fun, practical session. You'll learn:

- Mental efficiency – how to recall names, facts and all sorts of information
- How to keep your mind sharp and clear and your brain alert and energized
- Ways to boost your power of concentration and improve your memory

Dacri has 30 years experience providing dynamic, highly energetic workshops on memory improvement. Don't forget this session – mark your calendar today! Each Business Education Series session includes breakfast and time for networking with other attendees. Be sure to bring plenty of business cards!
